## Address

Microbe Solutions, LLC  
344-5 Route 9  
Suite 237  
Lanoka Harbor, NJ 08734  
(609) 709-7988

**CAGE Code**  
88GC5

**DUNS Number**  
081104360

## Company Capabilities - Proudly Made in the U S A

Produce consumer friendly products that are persistent, safe, and easy to use.

## Company Core Technology

Microbe Solutions, LLC DBA Common Sense utilizes a safe solution that is incorporated into our products to provide persistent sanitizing. Common Sense forms a layer over its treated surface, like your hand, and prevents germs from forming. Think of it as a layer of electrically charged swords. When a micro-organism comes in contact with the swords, the swords puncture, shock and inactivate the germ, stopping germ mutation, cross contamination, and odor caused from bacteria, viruses, fungi, mold, and mildew. Unlike all others, The Common Sense Molecule does not lose strength! It remains ready for that next germ. This layer of persistent protection does not rub off easily, on your skin, it comes off naturally with exfoliated skin cells. On hard surfaces, it is abraded away over time. Contact us to find out more information on how we can best assist you.

## NAICS Codes

- 423450** Medical, Dental, and Hospital Equipment and Supplies Merchant Wholesalers
- 424120** Stationery and Office Supplies Merchant Wholesalers

## Core Competencies

- Hand Sanitizer
  - Surface Sanitizer
  - Aerosol
- Sizing Options:*
- 50ml spray
  - 500ml desktop foamer
  - 1,000ml wall mount replacement pack
  - Wall mount display w/ protective tray

## Differentiators

- **WE PREVENT CROSS CONTAMINATION!**
- We can remove multiple odors and contaminants found indoors
- IICRC-Certified (Institute of Inspection Cleaning & Restoration)
- Meets FDA Requirements
- Fragrance-Free Product
- Long-term Residual Protection
- 8 Years of Experience

**IICRC**  
Institute of Inspection Cleaning  
and Restoration Certification
